

## Shelter-in-Place Kit

These supplies are meant to augment the emergency supplies you have at home and are to be used during a mandated shelter-in-place event. Keep them in your predetermined safe room.

- Plastic sheeting (precut to cover all windows, doors, outlets, and vents in your safe room)
- Tape (to fix the sheeting in place)
- Battery-powered radio
- Water and snacks for the day
- A few towels/blankets (to moisten and stuff under doors in the safe room)
- A flashlight
